Sewer line cleaning on Rice Street, Molokoa Village in Līhu'e scheduled from March 30 to April 3

LĪHU'E – The public is advised that there will be intermittent traffic control on Rice Street and in the Molokoa Village area next week, starting March 30. Traffic will be modified from 3 to 10 p.m., beginning Monday evening, March 30, and ending Friday night, April 3, weather permitting.

The closures are necessary to allow the Wastewater Management Division to perform maintenance work on the sewer system in the area.

Two-way traffic will be maintained as much as possible. In areas where this is not possible, flaggers will be present to direct traffic. Motorists should drive with caution, expect delays, and adjust their travel times as needed.

Anyone with questions may contact Jason Kagimoto with the Department of Public Works at 808-241-4083 or via email at jkagimoto@kauai.gov.
